COMPLEX JOBS CALL FOR THE ULTRA-FLEXIBILITY OF OUR 900 SERIES modular amps. Simpler jobs, like a background music system, can be easily handled with our BG-M Series amps. For all those jobs that fall somewhere in between, we designed the new 700 Series. With all your most requested features *built right in!* We even included a 900 Series module slot for added flexibility. The new 700 Series: they're simpler, smarter, and have exactly the features you need for lots of jobs. They're always in stock, and they're built with the same rugged quality you'd expect from TOA. Plus they come with our unmatched service, support, and 5-year warranty. To get more information, call or visit www.toaelectronics.com.
