TOA AMPLIFIERS. TOA SPEAKERS. LIKE MILK AND COOKIES.

SOME THINGS ARE JUST MADE TO GO TOGETHER. And when it comes to installed sound, TOA amplifiers and speakers are a sweet combination! Next time you're designing a new system, why not add them both into the mix? There's a comprehensive choice of models and prices, they're always in stock, and they're built with the same care and quality you'd expect from TOA. Plus they come with our unmatched service and support, and industry-leading 5-year warranty. Before you plan your next installation, take advantage of our free Amplifier Guide and our new Speaker System Software. Just call or visit www.toaelectronics.com.
