

**INTRODUCING THE  
NEW DA SERIES  
MULTI-CHANNEL  
DIGITAL AMPLIFIERS.**

**RACK 'EM UP!**

**NEW 9000 SERIES MODELS!**

**MODULAR DIGITAL MATRIX MIXER/AMPLIFIERS**

- A-9060DH** 2 x 60W @ 70V
- A-9120DH** 2 x 120W @ 70V
- NEW! A-9060S** 1 x 60W @ 25/70V, 4/8 ohms
- NEW! A-9120S** 1 x 120W @ 25/70V, 4/8 ohms
- NEW! A-9120DL** 2 x 120W @ 4-16 ohms
- NEW! A-9240SH** 1 x 240W @ 70V
- M-9000** Matrix Mixer only version

**MODULES AND ACCESSORIES**

- D-001T** Dual Mic/Line Input Module
- T-001T** Dual Line Output Module
- ZP-001T** Telephone Zone Paging Module
- C-001T** Remote Control Module
- NEW! AN-001T** Ambient Noise Control Module
- NEW! AN-9001** Ceiling Microphone for Ambient Noise Control
- NEW! SS-9001** 4-Zone Speaker Selector
- NEW! ZM-9001** Remote Switch Panel
- NEW! ZM-9002** Remote Volume/Switch Panel

**9000 SERIES FEATURES**

- **Modular Design:** up to eight mic/line inputs and eight outputs
- **Exceptional Audio Quality:** 24-bit, 48 kHz sampling, 0.0008% THD
- **Dual Channel Digital Signal Processor (DSP):** ten-band parametric EQ on each input and output
- Telephone Zone Paging
- Eight Level Ducker
- Automatic Microphone Mixing
- **Multi-function Display:** allows programming and operation without a PC
- **Flexible Remote Control:** VCA, contact closure and RS-232
- Rack Kit Included (2RU)
- Five Year Warranty

- DA-250FH** 4 x 250W (70V)  
2 x 500W bridged mode (140V)
- DA-250F** 4 x 250W (4 ohms) / 170W (8 ohms)  
2 x 500W bridged mode (8 ohms)

**Need to fit more in less space?** Our new multi-channel amps use digital technology to deliver more efficient power in a much smaller package, consuming nearly a third less power compared to conventional amps. Which means they run cooler, so you can stack more units into tighter spaces without elaborate air conditioning. And just as you would expect from TOA, they sound great, and they're built to survive all kinds of abuse, backed by a 5 year warranty.

- High efficiency digital technology—30% lower power consumption than conventional amplifiers
- Compact, single rack-space design
- Stack up to five units without open spaces between units
- Lightweight (14.6 lbs.)
- Independent power supply for each channel
- Comprehensive protection circuitry
- Five year warranty
