Water Protection	IPX5
Operating Temperature	-10 °C to +40 °C
Finish	Horn: ASA resin, clear dark gray Other: ASA resin, dark gray Strap: Nylon, black
Dimensions	137 (W) x 257.8 (H) x 210 (D) mm
Weight	610 g (without batteries)
Optional Accessories	Wall mounting bracket for megaphone: SP-1100

*JEITA: Japan electronics and information technology industries association.

Dimensions

<Note on the audible range and battery life>

1. The indications of the audible range and battery life are based on the JEITA Standard*.
2. Audible Range presumes that the megaphone employs new batteries and is used on a quiet street.
It varies depending on such conditions as battery consumption, ambient noise, wind direction and obstacles.
3. Battery Life assumes that megaphone is used for 30 minutes a day.
